Football is back as the NFL season kicks off tonight with the Seahawks vs. the Packers! I'm a recent convert to the sport and I've very much enjoyed watching my team on their journey to and winning the Super Bowl last year. Since Pandora recently came out with an NFL Collection in early summer, even though it was the offseason, this is a great time to take a look at these Pandora Mickey Icon Disney Charms wholesale price. The NFL release included two designs: engraved logos on the back of the Unforgettable Moments dangle and engraved logos on the front of the two-tone helmet charm. For a look at all the teams, check out Pandora NFL Collection Debut.

For Mother's Day, the Pandora Ariel's Shell Disney Charms Discount available at shop-in-shops is the Roses openworks bead; for Concept Stores it is the Filled With Love dangle; and Jared had two charms again this season – the Pink & Multi-Color Cosmic Clip and Sweet Mother dangle. I've got most of these on my spring roses bracelet, which I previewed in the Pandora Rose Garden Collection post. The Roses charm is heavily textured and features the outline of 3 roses in a circle – I love this design and it's one of my favorites from this collection.

Breaking news today as 2 new travel Pandora Belle's Dress Disney Charms Black Supplier photos have been discovered! The presumably revamped Australia charm and a two-tone version of the Eiffel Tower make an appearance, but beyond that I don't have any information about them. They are not included in the Pandora Summer 2014 Collection as they're not part of the Spring/Summer 2014 catalog, so I suspect that they are coming out with these separately, either as mini travel set as we've seen in the past two years or as some sort of special release. I'm very excited for these additions and I hope we'll get more details on these soon!

The Pandora Tinker Bell's Signature Color Disney Charms Sale Australia charm was set to come out last fall, but for numerous reasons the company decided to recall them (read more here: Update on Pandora Autumn 2013 Collection). This new Australia charm would be the much anticipated redesign of the map featuring the iconic kangaroo and the Southern Cross constellation. The Eiffel Tower gets a lovely gold heart detail added to the base of the dangle.
