With Nike, Inc. taking over the NBA uniform rights this season, it was expected that sister brand converse all star baratas españa, a brand that has more roots in the sport than any other brand in history, would partake in the ceremonious debut of the partnership. Today, Converse unveiled a massive collection of Chuck Taylors, one for each of the 30 NBA teams. Each pair is built with actual NBA jerseys and lined with leather that featured embossed team logos as well as a Converse x NBA patch on the inner tongue. Only 250 pairs of each team edition exists, and the entire set is scheduled for a release on September 29th.
