Neil was the local drag racing champion. He prided himself on being able to beat anybody on the circuit. He had not lost a race in five years. He was the true star of the track. Anybody who wanted to prove they were the best had to beat him.

He had many fans and a few enemies. Some of his competitors had been suspended from the circuit for trying to use illegal tricks. One such competitor was Ray. He was a fierce competitor who would do anything to win.

He especially wanted to beat Neil. Several drag racing circuits including this one had suspended him. He was the true bad boy of the sport. Mostly of the fans despised him but he had some loyal fans.

His suspension time was up and he was back to prove he was the best by beating Neil. The circuit manager gave him the briefing and told him there would be no tricks. Ray agreed as he always does.

The managers knew they would have to keep an eye on him. They had considered totally banning him Madison Bowey Capitals Jersey , but the circuit was experiencing hard times. They knew people would come to see the competition between the two.

On the day of the race the stadium was full. Drivers lineup early. They had a chance to face each other before the race. Ray looked at Neil and told him he was going to win. Neil had heard all this before and was use to all the talk.

He knew the only thing that counted was what you did behind the wheel. The drivers entered their cars. They started their engines. The green light went down. They were off. About halfway down the straightaway, something made Neil loose control of his car and he spun.

He eventually regained control of the car. By that time, Ray was long gone. Ray crossed the finish line first. When Neil finally finished, he was furious. He told the mangers that a blinding light had come from Rays car which made him loose control of his car.

The managers knew Ray was capable of such a trick and decided to search his car. They found a green laser under the seat. The green laser is capable of creating a blinding light on a target at a

distance. They knew Ray had cheated again.

Neil said you could have killed me. Ray showed no remorse. Instead he got in Neils face and said Lars Eller Capitals Jersey , well then I could have dated that pretty wife of yours. Then he pushed Neil to the ground. He was about to kick Neil when a bunch of others drivers grabbed him.

Track managers called the police. Ray was arrested and charged with assault. Ray was permanently banned from that circuit. When you are prepared to injure someone over competition its time to stop competing. If your competitors turn violent you may have to defend yourself.

If your competitors are willing to hurt you, they probably want care if you are killed in the process. Be aware of who you are competing against. Always know how far they are willing to go to win. Take defensive measures. Reporting them to the proper authorities prevents foul play and keeps others from getting hurt.

HOUSTON, Sept. 19 (Xinhua) -- Greg Abbott, Governor of Texas Jakub Vrana Capitals Jersey , the United States, announced Tuesday that Texas would partner with FirstNet and AT&T to deliver a wireless broadband network to the state's public safety community.

"The safety and security of Texas communities is my number one priority, and I want to provide our first responders with the best technology possible," said Abbott.

According to a press release by the governor office on Tuesday Authentic Jay Beagle Jersey , the FirstNet network will provide Texas with modernized devices, apps and tools for first responders to boost their communication abilities on the job.

This plan will improve public safety and enhance emergency preparedness across the state by providing first responders with cutting edge communication technologies.

The governor said, "as we saw in the aftermath of Hurricane Harvey, our first responders are often the last and only hope for safety in rapidly-changing and life-threatening situations Authentic John Carlson Jersey , but this partnership with FirstNet and AT&T, allows Texas's fire, police, EMS and other public safety personnel to be better equipped when responding in these emergencies."

Hurricane Harvey blew ashore on Aug. 25 as the most powerful hurricane to hit Texas in more than 50 years Authentic Braden Holtby Jersey , displacing over one million and damaging some 200,000 houses in the area.

LONDON Authentic Andre Burakovsky Jersey , Sept. 19 (Xinhua) -- The home of Liverpool FC is to be transformed into Fortress Anfield, with an intensive program of anti-terrorism measures to prevent fans being mown down in repeats of attacks what happened in London, Paris and other places.

The club's Paisley Square, Centenary Stand and Anfield Road end are earmarked for the most intensive security measures Authentic Philipp Grubauer Jersey , with counter terrorism measures

that will include heavy duty bollards to prevent vehicle access, so called Jersey barriers and an earth bund on Anfield Road close to the area where visiting fans are accommodated in the stadium.

A planning application submitting to city council officials says the area around the recently extended Centenary Stand has been identified as a particular security risk.

A report detailing the plans says the entrances to the Centenary stand area are a main point of fan convergence, and there is a risk that a vehicle could gain access to fans entering or leaving the stadium via this entrance.
